Moving to a new area is a trying experience and finding all of the services you and your family will need can be difficult. Especially when it comes to professional dental care.

My name is Dr. John Smith and I represent the Smith Dental Associates, a full service family dental practice, and I would like to take this opportunity to welcome you to the neighborhood.

For several years, many families just like yours have trusted their dental care to our experienced staff. We take great pride in providing friendly, knowledgeable and gentle care to each and every patient. Our office is conveniently located in Naperville at 123 Main Street – just a few minutes drive from your new home.

As a special welcome, I would like to offer you a coupon valued at \$50.00 that can be used towards any of our dental services. This offer can be used at the first visit to assist with your insurance deductible or any other out-of-pocket expense.

Please consider us for your family's dental needs. We look forward to serving you.

Best wishes!

John Smith DDS
